**Importance:** High

Hi all,

This is just a quick inform that the EOC has been activated for the Dixie fire and I'll be the LNO for the event. My understanding is that the TTX will be closing early. I'll be going into the incident brief at 1500 and will stay on through the weekend if needed. I'll keep the group posted and adjust my schedule as needed. [REDACTED] if you could please take on any PMO reviews and [REDACTED] if you could cover any remaining TTX needs from 1500 on that would be great. Thank you!
